

**"One of the most unique record companies to come along in recent memory."  
Mark Ruffin – Amazon.com and Jazz USA**

**Flügel Schlag! is a breath of fresh air and deserves some serious listening." – Chick Corea**

Introducing...**ObliqSound** – a new perspective on music without boundaries.

The ObliqSound Sampler highlights the musical launch of this innovative new label's roster and sound. Quite varied and eclectic, this sampler represents the core ideas of the company. ObliqSound could be considered not only as a label and a brand, but also as a genre by itself.
